

CFW Quality Code Index Signature Page

By signing below, the Supplier confirms that they have reviewed and understand the Carlton Forge Work's Quality Code Index, including Quality Code 00 - Precision Castparts Corp. Supplier Quality Requirements (CP-002).

The Supplier acknowledges that all applicable requirements contained within Carlton Forge's Quality Code Index and CP-002 apply to the products and services provided to PCC unless a deviation has been explicitly identified by the Supplier within the Compliance Applicability Matrix (CP-F-002) and formally approved and signed by the PCC Contracting Site.

The Supplier further agrees to comply with all applicable quality, regulatory, and contractual obligations referenced in CP-002 and to ensure that these requirements are communicated and met by all sub-tier providers involved in fulfilling PCC Purchase Orders. Execution of this signature page serves as confirmation of the Supplier's commitment to uphold PCC's quality expectations and maintain alignment with the standards, processes, and responsibilities defined within Quality Code Index and CP-002.
